

Our Mission:

District 4 Public Health is dedicated to protecting and improving the health of our communities through the prevention of disease, the promotion of healthy behaviors, access to quality services, strong community partnerships, and disaster preparedness.

Our Vision:

To lead the way for our communities to live healthier and safer lives

Our Values:

To create and nurture an INNOVATIVE culture that empowers staff and community to maximize their potential.

To promote COLLABORATION and community partner engagement to drive CONTINUOUS QUALITY IMPROVEMENT.

To maintain INTEGRITY, RESPECT, and FLEXIBILITY in performing core functions and providing essential public health services.

To assure ACCOUNTABILITY through transparency, commitment, and communication.

To acknowledge and value diversity to ensure EQUITY in all we do.

To make an appointment:

Call 1-800-847-4262 for clinical services

Call 770-722-0633 for WIC services
