District 4 Public Health Social Media Disclaimer

Thank you for visiting District 4 Public Health social media platforms. Visit our pages to stay up-to-date with the latest public health information. We encourage all followers to like and share our content on their timelines.

While we encourage followers to share thoughts and opinions about the District 4 Public Health social media posts, we expect that this will be done in a respectful manner.

District 4 Public Health does not agree with or endorse every post or message that is made about our pages. Our goal is to share public health information with as many individuals as possible through our social media profiles.

Therefore, we do not condone messages or posts that contain:

- Hate speech
- Profanity, obscenity, or vulgarity
- Nudity in profile pictures
- Defamation to a person or people
- Name-calling and/or personal attacks
- Selling of a product
- Infringement on copyrights
- Spam, i.e. same posts or messages that are sent repeatedly
- Other posts or messages that District 4 Public Health deems inappropriate

All links sent as posts or through Messenger on District 4 Public Health or one of District 4's county health department social media pages will be reviewed and may be deleted.

Repeated violations of the District 4 Public Health social media policy may result in the author being blocked from District 4 Public Health or any of District 4's county health department social media profiles.

We understand that social media is a 24/7 medium; however, our moderation capabilities are not. We may not see every inappropriate post or message right away, and we are trusting in the maturity of our community to ignore personal attacks and negative speech or respond politely.

Thanks for visiting, following, and interacting with our social media platforms! We look forward to hearing from you. Health Departments Call Center (800)-847-4262 and WIC Call Center 706-298-6080 or 770-722-0633.
