Foster Grandparent Program

Foster Grandparents are role models, mentors, and friends to children with exceptional needs. The program provides a way for volunteers age 55 and over to stay active by serving children and youth in their communities.

Foster Grandparents serve 20 to 40 hours per week helping an average of two to four youth strive towards healthy futures and success. Volunteers receive pre-service orientation, training from the organization where they serve, supplemental insurance while on duty, and may qualify to earn a tax-free hourly stipend.

AmeriCorps Seniors is an equal opportunity agency. Enrollment is done without regard to race, color, creed, national origin, Gender Identity or expression, ancestry, citizenship, religion, political opinions or affiliations, age, disability, genetic information, sex, pregnancy, childbirth, or related conditions, marital or parental status, military, or veteran status.
