BEAT THE BACK-TO-SCHOOL RUSH!

Don't Wait Until the Last Minute...
Get a Head Start on Back-to-School Immunizations!

If your child needs updated immunizations for the 2026-27 school year, don't wait until late July or early August! **Spring or early summer is the PERFECT time** to book an appointment at your county health department or with your child's healthcare provider. You'll avoid the back-to-school rush and can take advantage of the convenient openings available now.

At your local health department, we'll provide everything your child needs to start school healthy and ready to learn, including required vaccinations like MMR and DTaP/Tdap, health screenings, and forms. Our expert staff will guide you every step of the way. Visit us today and give your child the best possible start to the new school year!
